

Bedwyn Footpaths Group Christmas walk and drinks. 15th Dec. 11.00 am Village Hall

After a short walk of about 2.5 miles to Little Bedwyn and back, we returned to the village hall for mulled wine and refreshments.

The walk was much muddier than we would have liked but at least it didn't rain and the 26 of us who did the walk were pleased to be greeted with refreshments by those who stayed behind to lay everything out and we were a group of 34 at the hall. Thanks were expressed to everyone who donated refreshments and raffle prizes.

This brought to a close our 5th year and our membership continues to grow. We began 2019 with the launch of our website and the publication of our first 3 walk route leaflets. By the summer we had a total of 6 different leaflets printed and distributed locally in pubs, cafes, the kiosk & post office. These have proved popular and supplies have to be constantly replenished. We very much appreciate the support this year of the Parish Council, allotment holders, Wendy's Community Café, the Stores and Post Office.

All our walk route leaflets can be downloaded from the Self-guided Walks page on the website
