

Family Treasure Trail – Sunday 15th Sept

4.75 mile trail. Meet Gt Bedwyn village hall at 10.45am

Max 6 adults per team @ £1.00 per adult.

Our September Treasure Trail of cunning clues was set by member Peter Angus & 14 walkers took part. Teams were guided along the 4.75 mile route in blazing autumn sunshine by yellow-vested stewards and welcome refreshments were provided by members at the end. Despite there being many other activities on offer for children at the weekend, we are always pleased to welcome families and all the children who completed this trail went home with a small gift. Congratulations to the Buckell and Sheerin teams for their winning time!

The route went to Little Bedwyn along the towpath, and from Forebridge, up towards Stype Wood Stud before turning back to Little Bedwyn and home via Kelston Rd.
